Dine On Campus

Dine On Campus™ provides helpful dining information at your convenience! It offers daily menus at all dining locations across campus, full nutritional information, and lists of ingredients for all menu items, hours of operation, and much more!

Use the filter tool under “What's on the Menu” tab to help you find vegan, vegetarian, and avoiding gluten options in the Dining Hall. You can even add menu items to **Apple HealthKit** if you're interested in tracking the nutritional value of what you eat. Download it today!

Mobile Ordering

You can order your favorite meals straight from your phone! Download Boost Mobile and skip the line at many of your favorite eateries!

500 dining dollars, 50 bonus dollars, 10 meal exchanges.

\$500.00

Dining Dollars Sold in any amount over

\$25.00.

MEAL PLANS 101

Meal Swipes

A Meal Swipe allows you entry into the all-you-care-to-eat Montgoris Dining Hall (open for breakfast, lunch, dinner, and late-night), and can be used to purchase a set meal from select retail locations (meal exchange). Premium swipes can be used as a guest meal, for off-hours meal exchange, or for a premium meal at Montgoris Dining Hall.

Meal Exchange

A Meal Exchange is a meal swipe, typically used for an all-you-care-to-eat meal at Montgoris Dining Hall, that is exchanged for a meal at select retail locations during specific times. You are permitted only one meal exchange per meal period. If you have already used a meal swipe at Montgoris during a given meal period, your meal exchange will not be available. Meal Exchange periods are defined as:

Breakfast: 7:00AM - 10:59AM
Lunch: 11:00AM - 4:59PM
Dinner: 5:00PM - 10:00PM

Dining Dollars

Dining Dollars are a declining balance currency that can be used at any dining services location on campus, including retail locations and Montgoris Dining Hall (All-You-Care-to- Eat Dining). A 10% bonus applies to all Dining Dollar purchases over \$100! Purchases made by Dining Dollars are sales tax free. Dining Dollars will carry over from fall to spring semester. They expire on May 31st, and must be used before then. You can even add more Dining Dollars to your account if you start to run low through our website at www.dineoncampus.com/stjohns

Flex Dollars

Flex Dollars are for faculty/staff, visitors, and students and can be used in dining locations, the bookstore, or on postage and other on-campus items. The money is taxable, refundable, and does not expire. Flex Dollars do not receive a 10% bonus on purchases of \$100 or more.

Bonus Dollars

Bonus Dollars are free funds that you receive when adding \$100 or more in Dining Dollars with one purchase. These can be used once your dining dollars run out.

Premium Swipes

Premium Swipes are meal swipes that come with resident meal memberships, and can be used as guest meals at Montgoris Dining Hall, as a premium upgrade meal at Montgoris Dining Hall, or as a meal exchange during non-meal exchange hours at locations that accept meal exchanges.

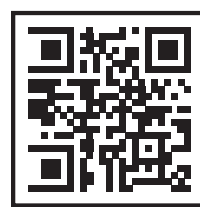

HEALTH AND WELLNESS

Special Diets

If you have food allergies, intolerances, and/or sensitivities, create an **Allergen ID** on our site or on the app. This will create a digital ID card that can be printed or uploaded to your smartphone wallet. Use your Allergen ID card to **privately inform** our staff at any dining location of your dietary needs.

If you have a food allergy or need dietary assistance, you can visit our website or scan this QR code, to take a short survey that will help inform our chefs and managers of your dietary concerns.

Our culinary team is trained to develop a delicious solution to meet your needs. We will reach back out to you to discuss your dining options and make slight accommodations if possible.

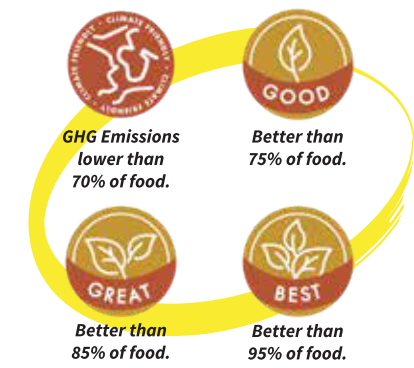

Don't be shy, self-identify!

Climate-Friendly Labeling

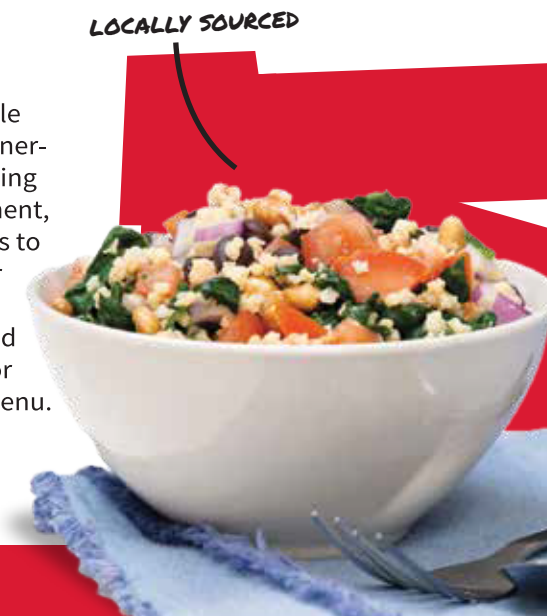

Certified by HowGood, our icons indicate if the recipe has an environmental and social impact better than a specified percentage of other foods based on HowGood's database of over 2 million products.

Measure based on eight standard metrics: Greenhouse Gas Emissions, Processing, Biodiversity, Soil Health, Land Use, Animal Welfare, Labor Risk, and Water Usage.

Menus Of Change

We are committed to creating a sustainable menu and operation. Whether we're partnering with local farms and markets or teaming up with our campus agricultural department, we are always searching for opportunities to create more sustainable practices for our food production and waste. Be on the lookout for a number of opportunities and events we do throughout the semester for your help to create a more sustainable menu.
